Annual Salary Expectation: Negotiable

Job Description:

Elford Appraisal is looking for appraisers to work with us in Calgary and all over southern and central Alberta. Our company requires two residential or commercial appraisers to help us keep up with appraisal requests. AACI or CRA designations are preferred. Candidates with experience will also be considered. Training will be provided to those needing guidance in our various areas of expertise.

Our company also requires appraisers who can work on farm and ranch appraisals or commercial and/or income properties. We supply a modern, enthusiastic and friendly office environment with all equipment and materials.

We have office space and desks available. Conditions for "work from home" to be discussed and agreed upon.
Remuneration is based on experience and volume.
